Limitations and Restrictions

- Comprehensive eye health exam (CPT 92014 or 92004) is limited to a single routine exam with evaluation for glasses or contact lenses. Medical analysis associated with complaints or conditions unrelated to myopia (nearsightedness), hyperopia (farsightedness), presbyopia (eyes' inability to focus as we age) or astigmatism (uneven curvature of the front of the eye or lens in the eye) will be treated under current CPT guidelines for medical billing and coding and will be billed to medical carriers.
- Annual contact lens analysis discount is for routine contact lens services only and NOT specialty product fittings (scleral lenses) or treatment programs (myopia management).
- Single complimentary box of single use contact lenses (daily lenses) with purchase of annual supply is limited to single 90-day box.
- No discount or benefit applied to any 2-week, monthly or specialty lenses (including gas permeable)
- 40% discount on glasses and/or lenses has no limits on frequency.
- Maui Jim discount is limited to 20% and is subject to change based on manufacturer requirements to retailers.
- Use of contact lens manufacturers' rebates are encouraged but not required.
- It is the sole responsibility of the member to maximize their benefits by arranging the appropriate appointment within the 12-month membership period. If the appointments are not used, the member will not be entitled to a refund.
- This savings plan is NOT a vision insurance plan and can only be used at Zionsville Eyecare.
- Membership is non-transferable and cannot be combined with any other vision insurance coverage or discounts.
- Discounts do not apply to any treatment prior to joining the plan.
